VILLAGE OF NAVARRE
STARK COUNTY, OHIO
RESOLUTION NO. 2024-19

RESOLUTION AUTHORIZING NATURAL GAS AGGREGATION
AS PART OF STARK COUNCIL OF GOVERNMENTS

Whereas, the Village of Navarre has been participating in the Stark Council of Governments (SCOG) natural gas aggregation program for seven Village owned structures, which program is up for renewal for an additional four years, and

Whereas, effective notice of the renewal procedure and opt-in deadline of August 2, 2024 was only received by the Village of Navarre on July 31, 2024, and

Whereas, the SCOG natural gas aggregation program has historically saved the Village significant funds, and

Whereas, the Village has added a police station that needs to be included in the SCOG natural gas aggregation program, and

Whereas, with time being of the essence, the Village Solicitor authorized the Mayor and Fiscal Officer to execute and deliver a letter of intent of the Village to participate in a four-year renewal of the SCOG natural gas aggregation program, with delivery being prior to the deadline, and

Whereas, Village Council believes that this action was warranted,

Now Therefore, Village Council Resolves to Approve and Ratify the action of the Mayor and Fiscal Officer in executing and delivering to SCOG a letter of intent to participate in four-year renewal in the natural gas aggregation program and to add the police station to the covered facilities, and

That this Resolution should be passed as an emergency, given the applicable time deadline, and the savings to the Village budget that would be lost by going through three readings, and this Resolution is thus passed, and effective.
