Resolution No. 2024-23 *Passed* October 7, 20 24

VILLAGE OF NAVARRE
STARK COUNTY, OHIO
RESOLUTION NO. 2024-23

RESOLUTION APPROVING EXTRA WORK ON FOHL SW TURN LANE PROJECT

Whereas, the Village has hired United Earthworks, LLC for the lump sum of $780,000 to construct the Fohl SW Turn Lane project, and

Whereas, the consulting engineer, GBC Design, Inc., has advised that extra work will be required because of deteriorating existing pavement, and such extra work is especially required because of the weight of vehicles that will use the intersection, and

Whereas, it appears that there will be some available Ohio Department of Development matching fifty percent funds to assist with the cost, in the estimated amount of $40,000, though such is not guaranteed,

Whereas, the estimated cost of the extra work will be $165,000.00, which sum has been certified as reasonable by the consulting engineer,

Now Therefore, Village Council Resolves as follows –

(1) Extra work in the sum of $165,000.00 by United Earthworks, LLC is hereby authorized, pursuant to change order acceptable in form to the Village Solicitor.

(2) This Resolution is passed with only one reading, as being for the health and welfare of the residents of and visitors to the Village of Navarre, and thus being an emergency so as not to delay said project.
